December 2017

In an email dated Dec. 6th Brother C. Sudhaker writes: “Brother as I had informed you earlier regarding the one-day Preacher’s Seminar at Karempudi, Guntur District, Andhra Pradesh (300 kms away from Hyderabad). We hired a Taxi cab and went to Karempudi, Guntur on 23-11-2017. We successfully conducted the Preachers seminar. I shared the word of God and encouraged the preachers in the morning and afternoon sessions. I taught them about the True Gospel, The New Testament Church, The Effective Evangelism and the Constitutional Rights and the Responsibilities of the Preacher to the Church and the Secular society. We enjoyed the Fellowship Lunch with the preachers. Indeed, it was blessed time for everyone at the seminar. More than 30 preachers participated in the seminar.

“Brother our labor is not in vain; we won a new soul for the Christ. Sister Padma, age-23 years, Occupation- Cattle-feeding, obeyed the gospel and requested me to baptize her. We went to the nearby canal and I baptized her and gifted her with the Telugu Holy Bible. Please pray for this sister who left the Idol worship to grow strong in faith. And we want to win her husband for the Lord. Please pray.”

We are so thankful for this report from Bro. Sudhaker. The congregation at Metropolitan Church of Christ in Hyderabad helps support more than 20 preachers in various districts of Andhra Pradesh and Telangana States. It is encouraging to see congregations like this growing in their own support of the work in India. Of course, we thank our supporters here in the states who help to encourage and support this work as well. Your support provides travel funds for men like Bro. Sudhaker to carry the gospel to various places.
